

# CMI-PAR 20/CMI-PAR 30 SUPERBALL

---

## FEATURES

- Round ceramic arc tube design ensures colour uniformity and colour stability throughout lamp life and lamp burning positions
- Very high luminous efficiency, in popular Par 20 and Par 30 reflectors with specially designed Spot 10 and 30 beam angles
- Excellent colour rendering properties
- CMI-PAR reflector lamps are specifically designed for use in both open and enclosed fixtures
- UV stop outer jacket for reduced risk of fading
- Applications: wherever strong consistent colour and colour rendering is both required or desired
- Average lamp life 9000 hours
