RENE PE20-BL+AG

The Rene accent series is quite the style show. It's a warmer artisan interpretation of the industrial style. The angular sculpted art glass is semi-translucent to showcase the mechanics of a filament globe, while the metalware design is no-frills to keep the look streamlined and sleek. Available as a single pendant or table lamp. Glassware is presented in clear, blue smoke, gray smoke, or opal matt together with a contrast antique gold metalware.
